LUPOP – an infrastructure at Lund University

• Promote improved, expanded, and more efficient use of cohorts and registers for research at Lund University
LUPOP – an infrastructure at Lund University

• Promote improved, expanded, and more efficient use of cohorts and registers for research at Lund University

HOW

• Provide study support / advice
• Enable meetings between researchers – physical and virtual
• Spread information within and outside LU
The gateways to LUPOP

lupop.lu.se - your entry to successful population research
Current activities

- **Group of experts**
  - **Experts** within the field (e.g. statistics, ethics, study design)
  - Representatives from all faculties

- **Swedish National Data Service (SND)**
  - Accessibility, preservation, and re-use of data and related materials
  - Deposit your own data or get access to others

- **Consequences of the new General Data Protection Regulation (GDPR)**
  - Collaboration LU / RS
  - Safe storing of data

- **InfoSäk**
  - Storage and handling of data
  - Adheres to the new GDPR

Register studies

LUPOP SEMINAR MARCH 14, 2018

Register use in the social sciences - combining modern data with the historical record

- Kirk Scott in LU research database

Ageing with intellectual disability – a study based on six national registers

- Gerd Ahlström in LU research database
- Magnus Sandberg in LU research database
- 1Q-project in LU research database (with list of publications)
- Presentation (pdf)

Page Manager: anna.axmon@med.lu.se | 28 March 2018

UPCOMING SEMINARS

April 19, 2018. 13:00-16:00
Population-based cohorts and biobanks

May 30, 2018. 13:00-16:00
Geographical population studies

PREVIOUS SEMINARS

Register studies (March 14, 2018)
Biobanks – not only for clinical research
LUPOP seminar on population-based cohorts and biobanks

April 19 13-16  LUX B237, Lund

For more information, visit lupop.lu.se/biobanks
GIS – why use maps in research?
LUPOP seminar on geographical population studies

📅 May 30  ⏰ 13-16  📍 To be announced

For more information, visit lupop.lu.se/GIS
Planned events for the fall semester

**Lund Population Day** – collaboration with Centre for Economic Demography
Theme: Migration and integration

**SEMINARS**
- Causal inference in population research
- Handling data ethically and legally

**WORKSHOPS**
- RUT
- InfoSäk
